- The line you've just added doesn't match the style of the rest of your webpage. Let's fix that by adding some CSS code.

```
5
6   hr {
7       height: 2px;
8       border: none;
9       background-color: tomato;
0   }
```

Banana Milkshake

Ingredients:

Ingredients:

Ingredient	Amount
Banana	1
Milk	250ml
Ice cubes	3

Method:

1. Peel the banana and add to the blender
2. Add the milk and ice cubes to the blender
3. Turn on the blender for 30 seconds
4. Drink!

Challenge

- Can you add an image into your webpage? Or change the font? Here's how your webpage could look:

Banana Milkshake

Ingredients:

Ingredient	Amount
Banana	1
Milk	250ml
Ice cubes	3

Method:

1. Peel the banana and add to the blender
2. Add the milk and ice cubes to the blender
3. Turn on the blender for 30 seconds
4. Drink!

Here are some code to help you:
font-family: Arial / Comic Sans MS / Courier / Impact / Tahoma;
font-size: 12pt;
font-weight: bold;
